ABOUT ME

I am 28 years old, currently living in Borås for 6 or more months while my girlfriend is studying at the University of Borås through Erasmus exchange. I love everything about food, it is my passion. I cook at home and work in restaurants. I love Thai food and people which is why I would be honored to be a part of your company and get a chance to learn more about food. I am fluent at written and spoken English, I am constantly working on improving the communication with others, with which I have never had a problem in professional setting so far.

SKILLS

I have kitchen experience of 2.5 years. My skills include, but are not limited to: interpersonal communication, working in compliance with HACCP standard, taking initiative, keeping the work space clean and tidy, organizing and taking care of proper storage of food products, ability to work under pressure, flexible timetable, working with cash register. I have a driver's license of B category and my own car.

EXPERIENCE

Thai Pub d.o.o. | Trg OF 14, Ljubljana, Slovenia

Commis. chef 16. 10. 2016 – 31. 12. 2016

I was in charge of organizing the storage and preparation of raw ingredients, ordering produce and meat and cooking at the wok station during lunch traffic together with three other people.

Burrito Loco, Mark David Sedmak s.p. | Rimska 6, Ljubljana, Slovenia

Branch manager 15. 4. 2015 – 1. 10. 2016

I was in charge of running the shop every day (clean, prepare, cook, serve, order delivery...). I integrated new workers into kitchen environment and supervised them. I worked at the local food market every Friday during summer where I made sure all food was prepared correctly and that the stand was clean and in order.

Scout's organization Rod Sivega volka | Štefanova 9, Ljubljana, Slovenia

Head chef 1.7. – 15. 7. 2014, 2015, 2016

I was in charge of Scout's camp's kitchen where we prepared four meals per day every day for 100 people.

Wedding reception

Assoc. chef 1.5.2016 – 27. 6. 2016

I was working in a team of three people. We organized and cooked 9 course meal for wedding reception from start to finish which had about 140 guests.

EDUCATION

University of Ljubljana, Faculty of Civil and Geodetic Engineering

Bachelor of Civil Engineering 6/2 Graduated on 22.9.2016
